President's Message

Dear Friends

We finally received the District Grant cheque to fund 38 Cataract surgeries. The Club has already completed its commitment of 37 surgeries. The cheque was formally handed over to Dr Chillar at his Clinic on April 11. Dr Chillar has confirmed that he will be able to complete the remaining surgeries before June 30th. In the month of April 25 surgeries were completed. Should we be able to do another 20 surgeries on top of these, then we will be able to meet our "Mission 100".

Literacy has been a strong suite for the club. We have been associated with Bajghera Govt. Senior Secondary School since the Club's inception and have done various projects there. IPP Rtn Mukta Malhotra and myself were recognized by the Bajghera panchayat for our support of the school. The Pradhan presented us with plaques in the presence of District Education officials.

We were not able to restart our outreach in Mewat due to the onset of the month of Ramazan. We plan to recommence our eye checkup camps and also upgrade of libraries in schools. We plan to donate bookshelves and books which have already been received.

Rtn Vivek Gaur attended the RI Presidential Conference in Hyderabad where he had the opportunity to talk about Sai Sanjeevani Hospital network and the yeoman services it provides. We are proud to be associated with this organization".

It is my intention is to keep working till the last day of this Rotary year.

RI President's Message

May 2022

Due to your positive response to the Each One, Bring One initiative, I am so happy to see that the membership trends in Rotary are looking up. Let us not lose this momentum — keep inviting new members, and also work hard to retain every member we attract. I look forward to seeing you next month in Houston at the 2022 Rotary International Convention, which I assure you will be a great event. Also in Houston this June, we will be hosting my final presidential conference. We have devoted this year to conferences built around Rotary's areas of focus. They have been a tremendous success, both in terms of attendance and in the ideas that were generated.

Last fall, our conference in the Philippines, which focused on protecting the environment and growing local economies, attracted 2,200 people online. In Brazil, our meeting centered around water, sanitation, and hygiene and how it relates to disease prevention and treatment; more than 600 people attended. That was followed by an event about the environment, economy, and peace in Maputo, Mozambique, which attracted around 400 in-person attendees and another 700 virtually. Our conference about keeping the economy and environment in harmony, held in Venice, Italy, had more than 600 in attendance.

Through these conferences and my world travels, numerous leaders have met with me and agreed to collaborate with Rotary. They include the prime minister of Mauritius, the president of Seychelles, the deputy prime minister of Bahrain, and the presidents of Albania and Kosovo. Clearly, Rotary is making an impact, and the world is eager for our leadership. In Houston, the final presidential conference, Serve to Bring Peace, will focus on an area in which Rotary has long provided leadership. Everything we do in Rotary helps create the conditions that foster peace in communities, nations, and ourselves.

In March, I was able to see firsthand the tremendous difference Rotary is making in Ukraine, as refugees continue to pour into Poland. Donors have contributed millions of dollars to this effort; our projects are making a tremendous difference, and there is enormous gratitude for your continued generosity and support. It is heartbreaking to see up close all the lives that have been uprooted, and the Ukrainian people are not alone. A devastating civil war in Yemen continues. The humanitarian crisis in Afghanistan is deepening. Armed conflicts affect nations across Africa, including Libya, South Sudan, the Central African Republic, northern Mozambique, Ethiopia, and Cameroon. And major refugee crises continue in Syria and Venezuela. Rotary will always be on the side of the peaceful resolution of conflict and providing aid and comfort to people in need. Rotary was there at the end of World War II, promoting the creation of the United Nations and standing up for the cause of peacebuilding worldwide. It is time to renew our mission and perform our role as one of the world's great promoters of peace.

There is no better way to Serve to Change Lives than to serve the cause of peace.

Shekhar Mehta
President 2021-22

Community Service Project Cataract Surgeries Camp

As part of our Club's "Mission 100" Cataract Surgeries

Our Club successfully completed 8 Cataract Surgeries at Perfect Eye and Laser Centre, Dwarka, New Delhi on 7th April 2022. This is the seventh in a series of such surgeries where the Club plans to assist such needy individuals, by restoring functional visibility. With this we have completed the Club's quota of cataract surgeries to enable the District disburse the District Grant awarded to us.

Cataract Surgeries Camp, 14th April 2022

Our Club successfully completed 4 Cataract Surgeries at Perfect Eye and Laser Centre, Dwarka, New Delhi on 14th April 2022. By restoring functional visibility to people, we believe we are enhancing and enriching the quality of their lives, and also assisting them to continue earning their livelihoods. President Abdul Aziz handed over the cheque for the District Grant to Dr Chillar of Laser Eye Hospital. Some pictures attached of the patients who underwent the Cataract Surgeries sponsored by our Club.

Happy School Project

Recognition of our Club RCG Harmony Iberis

Bajghera School was felicitated yesterday by the local authorities and Sarpanch for winning the Award for the Cleanest School in Haryana for this year. The School invited Our Club leaders Pres Abdul Aziz and IPP Mukta Malhotra and took this opportunity to thank them and recognise their role in making Bajghera a Happy School in 2020-2021. Our Club was instrumental in giving furniture, WINS stations and a library to the School to give the children a better equipped school and healthy environment.
